RESEARCH EXPERIENCE

Senior Research Fellow — Centre for Youth Futures

Manchester, UK | 2022–Present

- Lead evidence reviews and mixed-methods research across youth participation and education programmes in the UK and East Africa.
- Designed interview protocols and analytical frameworks for 60+ stakeholder interviews across government, NGOs and youth-led organisations.
- Co-authored 9 research briefs and 4 peer-reviewed papers; findings informed programme redesign and two grant proposals.
- Supervise two research assistants and maintain shared citation and evidence-management workflows.

Research Associate — Institute for Learning Studies

Leeds, UK | 2018–2022

- Conducted literature reviews, qualitative coding and policy analysis for projects on school engagement and post-16 transitions.
- Built evidence matrices and data-quality checks that reduced review duplication across a six-person research team.
- Prepared conference presentations, technical appendices and dissemination summaries for academic and non-specialist audiences.

Graduate Research Assistant — Northbridge University

Sheffield, UK | 2016–2018

- Supported participant recruitment, survey administration, transcription review and descriptive analysis for a longitudinal student study.
- Maintained ethics documentation, consent records and research databases in accordance with university procedures.

SELECTED RESEARCH OUTPUTS
