Buenos Aires, Argentina | +54 11 0000 6241 | valentina.ruiz@example.com | valentinaruiz.example

PROFESSIONAL SUMMARY

Communications professional transitioning into learning experience design after 6 years creating audience-centred content, facilitating workshops and managing digital campaigns. Brings strong transferable skills in needs analysis, storytelling, stakeholder communication and content production.

TRANSFERABLE SKILLS

Learning Design · Facilitation · Needs Analysis · Storyboarding · Content Strategy · Articulate 360 · Canva · Stakeholder Communication

RELEVANT LEARNING DESIGN EXPERIENCE

Portfolio focus: onboarding microlearning, facilitator resources and scenario-based learning. Applies communications experience to learner needs, content sequencing, engagement and feedback.

PROFESSIONAL EXPERIENCE

Learning & Communications Coordinator — Horizonte Foundation

Buenos Aires, Argentina | 2023–Present

- Design and facilitate onboarding workshops for volunteers and programme coordinators across four regional teams.
- Converted policy-heavy induction content into modular guides, short videos and facilitator resources.
- Introduced post-session feedback and knowledge checks, increasing reported onboarding confidence from 72% to 91%.

Communications Coordinator — Horizonte Foundation

Buenos Aires, Argentina | 2020–2023

- Managed editorial planning, newsletters, digital campaigns and stakeholder communications for youth programmes.
- Facilitated community workshops and created toolkits adapted for different audience literacy levels.
- Coordinated subject-matter reviewers and maintained content approval workflows.

Content Specialist — Punto Creativo

Buenos Aires, Argentina | 2018–2020

- Produced web, email and campaign content for education and social-impact clients.
- Translated client briefs into structured content plans and delivery schedules.

EDUCATION & DEVELOPMENT

Postgraduate Certificate, Learning Experience Design — Río Plata Institute, 2025

BA, Communications — Universidad del Sur, 2018
