Milan, Italy | +39 02 0000 4872 | sofia.moretti@example.com | sofiamoretti.example

---

## PROFILE

Product designer with 7 years of experience creating accessible digital products and scalable visual systems for SaaS, education and consumer brands. Strong in discovery, interaction design, prototyping and design-system governance.

## DESIGN CAPABILITIES

Figma · UX Research · Interaction Design · Design Systems · Prototyping · Accessibility · Adobe CC · Usability Testing

## PROFESSIONAL EXPERIENCE

### Senior Product Designer — Studio Forma Digital

Milan, Italy | 2023–Present

- Lead end-to-end product design for a B2B learning platform used by 45,000+ monthly learners.
- Redesigned onboarding and course discovery, increasing activation by 18% and reducing support tickets by 22%.
- Created a component library with 80+ reusable patterns and accessibility guidance aligned with WCAG 2.2.
- Facilitate design critiques and collaborate with product, engineering and research across two squads.

### Product Designer — Nexa Learning Technologies

Remote / Milan | 2020–2023

- Designed responsive learning workflows, dashboards and assessment experiences from research through hand-off.
- Ran moderated usability tests and translated findings into prioritised interface improvements.
- Partnered with developers to document states, responsive behaviour and interaction specifications.

### Visual Designer — Atelier Nova

Milan, Italy | 2018–2020

- Produced brand systems, campaign assets and digital templates for hospitality and lifestyle clients.
- Developed presentation and social-media systems that improved consistency across client teams.

## SELECTED PROJECTS

- Selected work: Learning-platform onboarding redesign | Accessible design system | Mobile assessment experience

## EDUCATION

MA, Communication Design — Milano Creative Institute, 2020

BA, Visual Design — Lombardy School of Arts, 2018
